
Software Release Notes

GS Series 850 version 1.5.0

This document describes the changes from GS Series 850 version 1.4.0 to version 1.5.0.

After updating the firmware, perform a **Factory Reset**. For more information on performing a **Factory Reset**, refer to *GS Series 700 and 850 User Guide (P/N: 020-001044-XX)*.

Affected products

The following products are affected:

- Christie DHD850-GS
- Christie DWU850-GS

Purpose of release

The primary purpose of this software release is:

- Added the global version to the firmware so the firmware shows Global version v1.x.0.
- Added support for the new Flash IC on the main board.
- Extended the color wheel start up for low temperature environments.
- Added functionality so the screen turns black when switching input signals.
