

Our passion for cinema knows no bounds!

Our passion takes us from Hollywood, right in our own backyard, to almost every continent. From red carpets and panel discussions about our industry to screenings of upcoming films, we're with you exploring, creating, and celebrating cinema.

Our team is excited to meet you at the next trade show as we showcase our latest developments in cinema technology across Australia, Brazil, India, Thailand, UAE, and more over the next few months. In the meantime, we're putting on our own shows too! CineSparks is a new webinar series for up-and-coming cine--thusiasts learn more below.

CineSparks

ARE YOU A CINEMA NEXTGEN?

FREE webinar series led by industry experts

Join us for the CineSparks Webinar Series

It's free!

More than a dozen industry experts will share their stories and discuss cinema, trends, and opportunities in the first CineSparks Webinar Series. If you're a recent graduate or an up-and-comer in cinema, don't miss your chance to hear from industry gurus. They will share their journeys and perspectives on current and future trends, technologies, and the in-demand skills they believe are relevant today and in the future.
