

Environmental Management Systems (EMS) Policy

We recognize our responsibility to control impacts to the environment from our business activities, products and services.

We are fully committed to environment friendly solutions for current and future generations that meet our compliance obligations, objectives and other requirements to which our organization subscribes.

As an industry leader, we are committed to the protection of the environment including prevention of pollution and other related commitments relevant to the context of the organization. We are committed to enhancing the performance of our environmental management system through continual improvement activities.
