

END-OF- PRODUCTION

Christie® CP2306-RGBe, CP2308-RGBe,
and CP2310-RGBe

On October 31, 2024, the CP2306-RGBe,
CP2308-RGBe, and CP2310-RGBe
reached end-of-production status.

The models in this brightness class have been updated with advanced CineLife+™ electronics and Phazer™ illumination technology. The new enhanced lasers provide improved image performance for smaller, high-gain screens in an economical projection platform.

We'll continue to provide support for seven years from the end-of-production date until October 31, 2031, while parts are available unless the product is covered under a warranty or extended warranty, in which case we'll continue to provide support for the applicable warranty period.
