EXPERIENCE IS EVERYTHING

Cinergy gets it right.

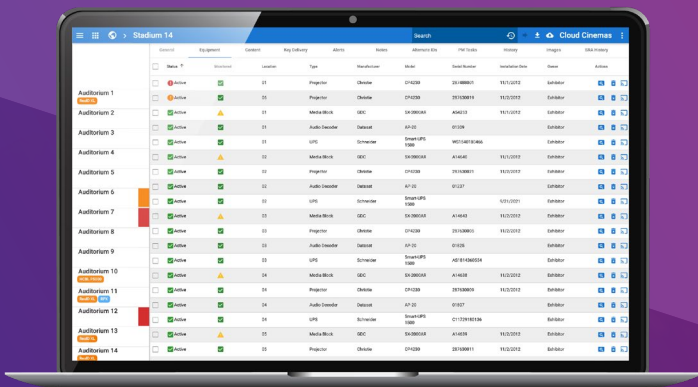

We're trusted and secure: Your data remains yours, always. And our platform is built secure from the ground up, continuously evaluated to meet strict technical and security benchmarks.

We're multilingual: We support French, German, Italian, Japanese, Korean, Polish, Portuguese, Russian, Spanish, Simplified Chinese, and Traditional Chinese languages.

We're all-inclusive: We seamlessly integrate with your cinema equipment, no matter the manufacturer.

We're truly friendly: Our software works the way you expect it to, from set-up to showtime. It automates routine tasks and makes the complex simple.

Our software grows with you: We meet today's challenges and deliver tomorrow's solutions to adapt to your unique requirements.

YOUR WISH IS OUR COMMAND

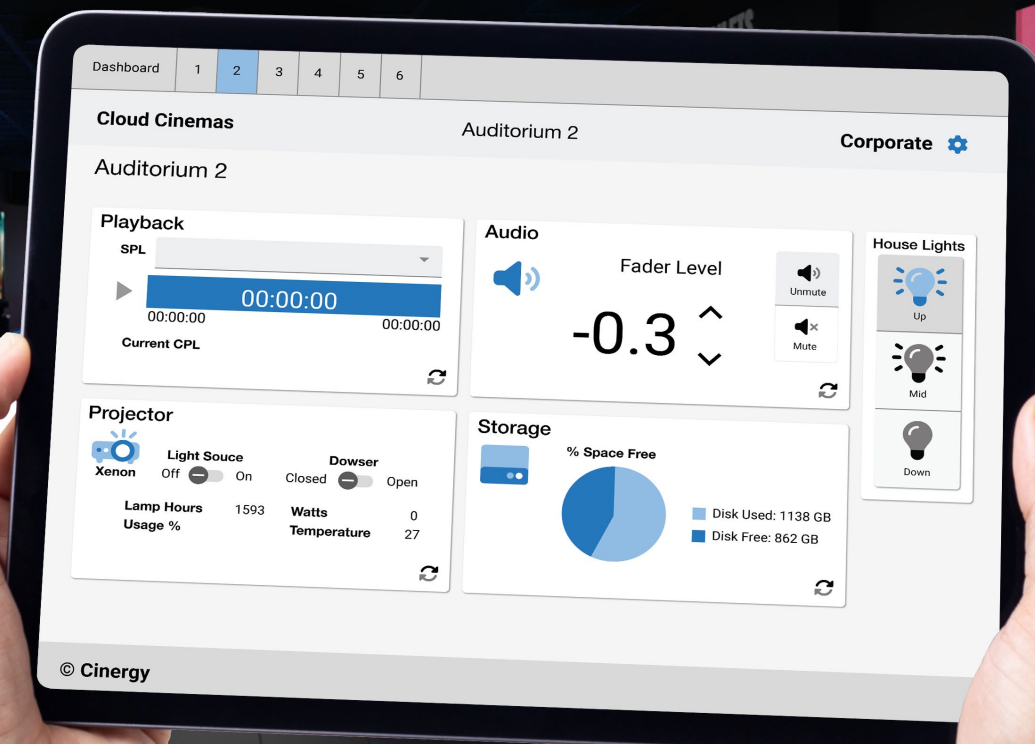

Spend less time in the booth and more time with your customers.

With Cinergy Command Station, we give you the control you crave right at your fingertips. The Command Station app lets you perform booth operations and control equipment from anywhere in your theatre.

With a tablet in hand, theatre managers can be in more than one place at a time, and quickly and effortlessly interface with each auditorium remotely. Command and control equipment?

Check. Start and stop playlists? Raise and lower audio levels? Adjust lighting? Check, check, check.

Command Station provides greater insight into your theatre equipment and operations and provides the utmost flexibility while doing so. The app drives productivity and efficiency across your theatre operations and allows your staff to focus on what matters most: your audience and their experience.
